++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers, these heaviest during the afternoon with thunderstorms.

Today:
Best chance of limited brightness to the east of Lough Neagh at first, otherwise a cloudy day with showers from the start, which build from mid-morning. Outbreaks heavy during the afternoon bringing risk thunderstorms. Maximum temperature 22 deg C (72 deg F).

Tonight:
Sharp showers continuing through the evening and overnight for many. County Londonderry seeing the best of the limited shelter. Southerly breezes. Minimum temperature 10 deg C (50 deg F).

Thursday:
A showery day with limited brighter spells. Plenty of heavier outbreaks expected, particularly through the afternoon with some thunderstorms developing. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
The showery theme persists with outbreaks frequent, occasionally prolonged and heavy, bringing further risk of thunderstorms and potentially localised flooding. However turning a little drier on Sunday.
